SOMMELIER SELECTIONS

Our wine list is always growing and evolving. With our next evolution we are offering rare and boutique bottles from some of the best and most respected winemakers in the United States. You will not find most of these wines at your local retail shop and some are available at just a few restaurants in all of Florida. Enjoy.

KEN WRIGHT ‘BONNIE JEAN’, 2014, Pinot Noir, Willamette Valley..... 98

Ken Wright has been an Oregon Pinot Noir icon since the early 1980’s. His production of single vineyard wines truly express each vineyard that he sources from. The Bonnie Jean Vineyard is his newest addition and is already making quite a name for itself.

BROOKMAN, 2010, Cabernet Sauvignon, Napa Valley..... 91

Gary Brookman comes from acclaimed wineries such as Joseph Phelps, Miner and California’s first “Cult” wine, Grace Family Vineyards. Gary makes only 425 cases of this rare California gem.

KEPLINGER ‘LITHIC’, 2013, Grenache/Mourvèdre/Syrah, Sierra Foothills..... 130

Another wine made from award winning winemaker Helen Keplinger. She makes a mere 250 cases of this amazing blend from the acclaimed Amador County. Her wine has notes of lavender, licorice, blackberries and tea with smooth silky tannins and a peppery/baking spice finish.

LAIL ‘BLUEPRINT’, 2014, Cabernet Sauvignon, Napa Valley..... 120

Robin Lail is quite possibly the most amazing person in the wine business today. Her family founded Inglenook in 1879, she was Robert Mondavi’s personal assistant and directed the first Napa Valley Wine Auction. Robin also co-founded Dominus and Merryvale wineries. That’s a wine resume very few can come close to. Oh, did I mention her winemaker is Philippe Melka?

QUILCEDA CREEK ‘CVR’, 2013, Cabernet Blend, Columbia Valley..... 113

Quilceda is one of the most respected wineries in all of Washington and honestly, North America. This wine is very rare and very hard to get a hold of and at this price point with the limited amount that they make, this wine will not be on our list for long.

JANZEN ‘CLOUDY’S VINEYARD’, 2012, Cabernet Sauvignon, Napa Valley..... 178

Only 353 cases were made of this wine. The vineyards are in the acclaimed Dutch Henry Canyon which is nestled between Hourglass and Switchback Vineyards. Talk about some great neighbors.

JANZEN, 2013, Cabernet Sauvignon, Beckstoffer To Kalon..... 240

Kurt Vegne, a second generation cult winemaker has made a name for himself by being a master of the To Kalon vineyard. There are only 347 cases of this wine produced and at that price for Beckstoffer To Kalon, it will go fast.

ARAUJO ‘ALTAGRACIA’, 2013, Cabernet Sauvignon, Napa Valley..... 218

This extremely rare wine is sought after in auctions all over the world. Most of the fruit is sourced from the acclaimed Eisele vineyards. The 2013 vintage is heralded by many to be their best production of Altagracia to date.
